THE MICHAELMAN

1973

special new student edition

Comments on This Edition. The offices sponsoring this edition (courtesy of **The Michaelman** editors) hope every member of the campus community may benefit from seeing "who's who" among students new to St. Michael's College this fall. We apologize for the quality of the photos . . . color ID photos just don't reproduce well in black and white. We also regret missing so many of the new students' photographs.
